MOTORCYCLE TYRE & RIM PROTECTION

It takes experience and confidence to understand the complex needs of Australian motorcyclists. That's why we've formed a partnership with a specialist motorcycle insurer, Swann Insurance.

Motorcycle Tyre & Rim Insurance is a simple and cost effective solution to help you and your motorcycle remain on the road providing protection* against:

- tyres punctured, or damaged by a pothole, kerb, nail, screw, metal, glass, road debris or a blowout; or
- any wheel rim becoming cracked, warped or misshapen by a pothole, kerb or road debris.

You will also be covered for up to \$120 to tow your motorcycle to the nearest repairer or place of safety.

So if your wheels or rims get damaged, you want the superior protection of a policy that will get your motorcycle back on the road - fast!

Key features & benefits:

Motorcycle Tyre & Rim Insurance provides cover for the tyres and wheel rims on your motorcycle when you need it most.

Coverage includes:

- 3 years of protection,
- no excess on claims, and
- towing to the nearest repairer or place of safety.

If any tyre is punctured or damaged by a pothole, kerb, nail, screw, metal, glass, road debris or a blowout we will:

- repair the tyre if it is repairable, or
- pay up to \$350 to replace the tyre if it cannot be repaired.

You can make up to two tyre replacement claims in any twelve month period. Unlimited puncture repairs are available under this policy.

If any wheel rim is cracked, warped and/or misshapen by a pothole, kerb, nail, screw, metal, glass, road debris or a blowout we will:

- pay up to \$1,000 to repair the wheel rim if it is repairable, or
- pay up to \$1,000 to replace the wheel rim if it cannot be repaired.

This insurance will only cover wheel rims that become unroadworthy or fail to seal and you can make one claim per 12 month period.

Making a claim is as easy as returning to your selling dealer or ringing 1300 729 168 .

*Subject to the terms and conditions of the policy.
